AZIENDA

La **Rompani Srl** è un'azienda a conduzione familiare che opera dal 1963 nel campo delle leghe leggere, produce parti meccaniche in alluminio ed effettua lavorazioni meccaniche c/terzi.

Da pochi anni ha iniziato la produzione e vendita di faretto basculanti ad incasso in zama e alluminio che montano lampadine da d.50 mm

COMPANY

Rompani Srl is a family company which has been working in the field of light alloys since 1963; the company produces mechanical items in aluminium and carries out mechanical working for third parties.

Few years ago our company has started the production and sales of embedded tilting spotlights in zama and aluminium, that use bulbs with a diameter equal to 50 mm
